

2025 Poster Competition

Wednesday, 26 March 2025 - Wednesday, 26 March 2025

Scientific Programme

This is the annual poster competition for the Department of Physics/Institute of Astronomy. We encourage every lab to share its research discoveries. We aim to create an intersectional, international, and interdisciplinary scientific discussion environment.

Atomic, Molecular and Optical Physics

Condensed Matter Experiment

Condensed Matter Theory

High Energy Theory

High Energy Experiment

Microwave and Plasma Physics

Astronomy and Astrophysics
