

# PPP16

The 16th Particle Physics Phenomenology Workshop  
June 15-18, 2026, NTHU, Hsinchu, Taiwan

## TOPICS

High Energy Astroparticle Physics  
Neutrino Physics  
Quantum Sensors  
BHs, GWs & Particle Physics  
QCD & Nuclear Physics  
and more...

## HOST

## INDICO

## SPONSORS

**NCTS**  
TG2.1 & TG2.4

國立清華大學研究發展處  
Office of Research and Development, NTHU

## Dragon Boat Festival

During the weekend after the workshop Taiwan celebrates the Dragon Boat Festival. For some background see, for instance, [here](#). The nearest location to NTHU campus is on the lake at the [Old Nanliao Fishing Harbor \(新竹南寮舊漁港\)](#). This can be reached by taxi, bus or bike from NTHU. For other locations in Taipei and New Taipei, please check-out the previous link.
